Danilo Pianini's Publications

I have both authored and edited a number of scientific publications. Some of them are listed below. Some are already organised according to a preliminary structure:

- **All published articles** ordered by year
- Articles published in [2015], [2014], [2013], [2012], [2011], [2010]
- **All unpublished articles** ordered by status
- Articles not yet published: Draft, Submitted, Accepted, Accepted with revision, Revised, Camera-ready sent, Proof, In press

My publications in the #apice() space are indexed per:

- Co-Authors
- Tags
